

HOSPITALITY

Since The Wild West usually travels to the venue the day of the show, a meal is immensely appreciated after load-in and sound check and before the performance.

Wylie yodels much better on a full belly and is able to reach higher heights in his leaps after taking on nourishment. And, we need to feed the band members so they can keep up with him! To that end, please provide by sound check time:

- A hot meal for each of the (4) tour members. This can be:
 - ☛ A catered meal delivered to the Green Room
 - ☛ A meal credit at a nearby full-service restaurant
- ☛ The meal served in conjunction with the event (depending on logistics/timing)

~ OR ~

- A deli tray including the following:
 - Red and white meats
 - Assorted cheeses
 - Bread or rolls
 - Assorted fruits & veggies
- Condiments: such as mayo, mustard or butter/spread
- Plates, Cups, Utensils, Napkins
